Petitioner.

Case No. 32-RC-135431

**EMPLOYER'S REQUEST FOR
EXPEDITED REVIEW AND
DECISION ON ITS REQUEST
FOR REVIEW**

Fry's Electronics, Inc. ("Employer") hereby requests an expedited, priority review and decision on its October 22, 2014 Request For Review of the Regional Director's Decision and Direction of Election (DDE) by no later than January 28, 2015.

The petition for representation in the present matter was filed on August 26, 2014 (*i.e.*, 142 days ago). After a hearing regarding said petition was held on September 8, 2014, and the Regional Director issued the DDE on October 8, 2014, the election was delayed due to blocking charges filed by the Petitioner which were dismissed by the Region on December 22, 2014 (and not appealed by the Petitioner).

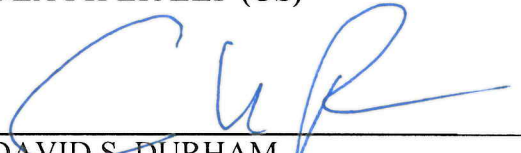

An election has now been scheduled for January 29, 2015, and the employees, Employer, and Petitioner deserve to know the results of the election as soon as possible after the polls close. Accordingly, the Employer hereby respectfully requests a review and decision on its October 22, 2014 Request for Review of the Regional Director's DDE

by January 28, 2015 so that the ballots may be promptly counted and the results timely announced to all concerned parties.

Dated: January 16, 2015

Respectfully submitted,
